

HISTORY OF THE DOCUMENT

Reference **IOM RT 02-N**
 Oracle code **3990426**
 Designation **ROOFTECH 100/120/140/160/180 (HFC410A)**

DATE	REVISION	DESCRIPTION	PAGE
21/01/2009	8	Adding size 180 technical specifications weight and centre of gravity electrical specifications clearances list of electrical wiring diagrams settings of thermal protections and contactors crankcase heaters dimensions dimensions of discharge ducts electrical wiring diagrams air side features Modifying preheat time of compressors EC declaration, signature of Sébastien Blard	6 7 8 9 14 16 16 III to VIII X to XI XVII to XXV XXX to XXI 21
13/11/2009	9	Adding sizes 200 - 220 technical specifications weight and centre of gravity electrical specifications clearances settings of thermal protections and contactors crankcase heaters crankcase heaters dimensions ERP roof curb electrical wiring diagram electrical wiring diagram (RTCH 200) electrical wiring diagram (RTCH 220) electrical wiring diagram electrical wiring diagram (RTCH 200+gas) electrical wiring diagram (RTCH 220+gas) electrical wiring diagram (RTCH 200 - 220) Modifying list of electrical wiring diagrams electrical wiring diagrams electrical wiring diagram EC declaration	6 7 8 9 16 16 21 III to VIII X XVIII XIX XX XXI XXIII XXIV XXX 14 XXVI to XXIX XXXI
24/03/2010		Modifying machine directive of EC declaration	
15/07/2010		Modification of EC declaration	
28/06/2012	10	Modifying operating limits 3-damper economizer weight position of centre of gravity electrical specifications Legend of electrical wiring diagrams settings of thermal protections and contactors remark on belt tension 3-damper economizer dimensions S1 dimensions R1 dimensions R3 dimensions R4 dimensions refrigerant flow diagram electrical wiring diagram SE3455 electrical wiring diagram SE3893 electrical wiring diagram SE3541	6 7 7 8 15 16 19 VII to X XIII XIV XV XVI XVIII XXII XXIII XXV

		electrical wiring diagram SE3894 electrical wiring diagram SE34562 electrical wiring diagram SE34563 electrical wiring diagram SE3892 Adding smoke detector maintenance ADH 630 Deleting electrical wiring diagram SE3890 electrical wiring diagram SE3891	XXVII XXX XXXI XXXIV 24 XLII
23/01/2013	11	Modifying settings of thermal protections and contactors	16
