■ Just feel well

SMART STEEL

Radiator 800 / 1500 / 2000 W

- Dual-Kherr electric storage radiator: gentle and consistent warmth
- Internal silicon storage
- Dual-Kherr technology with lifetime guarantee
- Power: from 800 W to 2,000 W
- Electronic thermostat: : Easy Tech Control system
- Integrated Heating Cruise Control (HCC).
- Eco function: maintains a temperature of 18°C with minimal power consumption
- Pilot Wire function: possible connection on thermostat
- Frost Protection function
- Locking function
- Manufacturing is 100% CE compliant 
- Precise to $\pm 0.05^{\circ}\text{C}$
- Class II: double insulation

in
Internal Silicium

PRODUCT ADVANTAGES

- > High-quality steel exterior
- > Rapid heating with the natural convection
- > Efficient maintenance of the selected perfect temperature
- > Heat storage for energy savings
- > Electronic Easy Tech Control
- > Self-regulating power consumption with HCC
- > Gentle warmth
- > Programmable: control periods of operation
